Tips and Tricks for Medicating Your Dog

Mary Poppins recommended a spoonful of sugar to help the medicine go down. Unfortunately, this is not the best option for pets. Read our blog for tips and tricks appropriate for giving your dog their medications!

A Recipe For Disaster

Avoid These:

1. Turkey Bones
2. Fatty Foods
3. Grapes/Raisins
4. Chocolate
5. Xylitol
6. Guests Leaving Doors Open
7. Unsecured Trash Cans

No one wants to be at the ER during the holidays. Read the blog below!
