### Beyond Fresh Breath: The Hidden Benefits of COHAT Dental Cleanings

There is more than meets the eye when it comes to the benefits of having your pet's teeth cleaned professionally. Who doesn't love clean polished teeth? But more importantly, we can reveal hidden tooth root abscesses with dental x-rays to truly remove that stinky breath. When a mouth contains diseased teeth, can any pet truly be comfortable?

### Meet Aaliyah

Aaliyah joined our practice within the last year. To her surprise, her kitten wasn't just cranky, he was hiding a congenital tooth malformation.
