4th of July

Set your pet up for success this holiday!
As we celebrate this year's 4th of July,
don't forget fireworks can be stressful
for pets too. Please contact us if your
pet struggles with loud noises.

Join us in celebrating animals, education, and conservation!

This year, we're excited to partner with the

James H. Barrow Biological Field Station of Hiram College

featuring their Ohio wildlife ambassadors.

Aurora K9 Fit
Canine Rehabilitation
demos

**Paw-triotic Pet
Photo Station**
Snap a festive photo
with your pet!

**Pup Cups & Ice
Cream Floats**
Enjoy a delicious
treat between
demonstrations
while they last!

Welcome Dr. Teynor!

Join us in welcoming
Sydney Teynor DVM!

She is joining our
practice as an
associate veterinarian
here to care for your
furry family members.
